Dear Lake Como Resident,

On Tuesday July 5, 2016 at 7:30pm, the Lake Como Council will be holding a special workshop meeting. The subject of this meeting is to discuss the possibility of changing a number of our streets to seasonal, one-way directions. As a suggestion from our Public Safety Director, we will discuss making the following streets one-way.

17th Avenue: one-way west bound, from B Street to Main Street
Redmond Avenue: one-way east bound, from Main Street to White Street
18th Avenue: one-way east bound, from Main Street to B Street
New Bedford Road: one-way east bound, from 18th to 17th Avenues
Green Street: one-way north bound, from 17th to 16th Avenues

This action would continue the street direction already in place in Belmar and would decrease the amount of traffic that currently exists on these streets during the summer months. We invite you all to attend the meeting on July 5th and express your opinions to the council.

Sincerely,

Mayor Brian Wilton
and
The Lake Como Borough Council
