**RE: IMPROVEMENTS TO MAIN STREET – PHASE III**  
**N.J. DOT FY 2016 MUNICIPAL AID PROGRAM**  
**BOROUGH OF LAKE COMO**  
**MONMOUTH COUNTY, NEW JERSEY**  
**OUR FILE NO.: PLC00601.01**

Please be advised that on or about Wednesday, September 27, 2017, weather permitting, work will commence on the installation of storm sewer pipe, reconstructing driveway aprons, curbs and handicap ramps on Main Street, between 19<sup>th</sup> Avenue and 21<sup>st</sup> Avenue, as part of the above referenced project.

Our office will have a representative on-site during construction to monitor the work of the Contractor, JADS Construction, Inc. (732-254-9462). We will attempt to coordinate any work to be done in your area in order to minimize possible inconveniences.

In order to facilitate the work, we respectfully request that when possible no cars be parked on Main Street while the work is being performed. Sidewalks, aprons and curbs scheduled for reconstruction will be delineated with white paint. Should your apron be scheduled for removal, please do not park your car in your driveway until the work has been completed. The Contractor will attempt to maintain at least one (1) lane of traffic during the day and two (2) lanes at night. However, at certain times the road may have to be closed to traffic except to those residents who live within the project limits. During this period, detours will be posted. It is expected that no work will be done on weekends or major holidays unless absolutely necessary.

On behalf of the Mayor and Borough Council, we would like to thank you for your anticipated cooperation in this matter and apologize in advance for any inconveniences that may be caused during construction.

Should you have any questions regarding this matter, please do not hesitate to contact this office at 732-727-8000.

BMK/mdp
