**MEMO TO: RESIDENTS OF LAKE COMO**

**FROM: BRUCE M. KOCH, P.E., P.P., C.M.E.**  
**BOROUGH ENGINEER** 

**RE: IMPROVEMENTS TO 17<sup>TH</sup> AVENUE**  
**LAKE COMO, NEW JERSEY**  
**OUR FILE NO.: PLC00604.01**

Please be advised that on or about Tuesday, May 26, 2020, weather permitting, work will begin on test pits followed by drainage improvements on 17<sup>th</sup> Avenue between Main Street and Oak as part of the above referenced project. Work will include the repair/replacement of storm sewer inlets and piping as well as the installation of new inlets and piping along 17<sup>th</sup> Avenue.

Our office will have a representative on-site during construction to monitor the work of the Contractor, Jads Construction (732-254-9462). We will attempt to coordinate any work to be done in your area in order to minimize possible inconveniences.

In order to facilitate the work, we respectfully request that when possible no cars be parked on the street in the area the work is being performed. We also request that should you need access to your car, that you do not park in your driveway. The contractor will attempt to maintain at least one (1) lane of traffic during the day and two (2) lanes at night. However, at certain times the road may have to be closed to traffic except to those residents who live within the project limits. During this period, detours will be posted. It is expected that no work will be done on weekends or major holidays unless absolutely necessary.

On behalf of the Mayor and Borough Council, we would like to thank you for your anticipated cooperation in this matter and apologize in advance for any inconveniences that may be caused during construction.

Should you have any questions regarding this matter, please do not hesitate to contact this office at 732-727-8000.
