BOROUGH ENGINEER 

RE: IMPROVEMENTS TO 17TH AVENUE
LAKE COMO, NEW JERSEY
OUR FILE NO.: PLC00605.01

Please be advised that on or about Wednesday, March 2, 2022 and Thursday March 3, 2022, weather permitting, utility test pits will be excavated along 17th Avenue from Oak Terrace to Newman Street and along Newman Street from 17th Avenue to New 18th Avenue as part of the above referenced project.

Our office will have a representative on-site during construction to monitor the work of the Contractor, Fernandes Construction (732-266-4816). We will attempt to coordinate any work to be done in your area in order to minimize possible inconveniences.

In order to facilitate the work, we respectfully request that should you need to use your cars, they be kept out of your driveways and that no cars be parked along 17th Avenue from Oak Terrace to Newman Street and along Newman Street from 17th Avenue to 18th Avenue while the work is being performed. The contractor will attempt to maintain at least one (1) lane of traffic during the days, however, at times the roads may have to be closed to traffic.

On behalf of the Mayor and Borough Council, we would like to thank you for your anticipated cooperation in this matter and apologize in advance for any inconveniences that may be caused during construction.

Should you have any questions regarding this matter, please do not hesitate to contact this office at 732-727-8000.
